

Invacare® **Electra**

THE IDEAL SHOPPING COMPANION

With the *Invacare*® **Electra** you can easily get around in shopping centres, supermarkets and even small shops. The manoeuvrable micro scooter provides safety and comfort in compact spaces. A lightweight aluminium chassis allows you to easily transport the *Invacare*® **Electra** between locations.

CONTROL AND SAFETY WHILE SHOPPING

The *Invacare® Electra* has a comfortable padded seat with a built-in swivel functionality and supportive “flip up” width adjustable armrests. An easy to read control panel includes a battery indicator showing the remaining capacity.

SHOP FROM THE BOOT OF YOUR CAR

The compact and portable *Invacare® Electra* can easily be disassembled and lifted into a car boot. No tools are needed to re-assemble the scooter. The magnetic brake will ensure a safe drive at all times.

FEATURES

Swivel seat

Enables easy access on and off the seat.

Control panel

Easy to read and operate. A “green” diode illuminates to indicate the product is switched on.

Lifting handle

Use the handle for lifting the *Invacare® Electra* into your car boot.
